MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDUSTRY OVERVIEW

Climatic conditions in India favor growing a variety of oilseeds. On the demand side, a growing population and vastly varied dietary habits have ensured a thriving market for edible oil in the country. In fact, there is a substantial demand overhang, which is expected to continue for some years. At present, this is offset by imports that cater to almost half of the total domestic consumption. With cheap imports threatening to cripple the domestic industry, the government is walking a tightrope between filling the demand supply gap and the political need to keep the domestic industry in good health. Unorganized, medium and small players dominate the industry. Hence, quality remains a concern. There is need for better regulatory control to protect consumers. Despite the variety of oilseeds grown in India, the country imports a substantial quantity of edible oil, which also works out cheaper. Allied factors contributing to imports are the higher cost of cultivation in India and uneconomic oil extraction systems.

Oilseeds in India account for around 5.0 percent of the Gross National Product (GNP) and 14.0 percent of the country's area under cultivation of crops. Castor, Groundnut, Linseed, Niger, Rapeseed, Mustard, Safflower, Sesame and Sunflower are some of the major oilseeds grown. India produces 10 percent of the world's oilseeds, but has a low productivity of around 850-900 kg per hectare (compared to a world average of around 1,100-1,350 kg per hectare).

The amount of oil extracted from the seed varies with the type and quality of seed. In many cases, the oil recovery rate is upwards of 30.0 percent with Sesame accounting for a high 45.0 percent.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with

the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Pursuant to order dated 26-02-2019 of the Hon'ble National Company Law Tribunal - Ahmedabad Bench at Ahmedabad ("NCLT Order"), Corporate Insolvency Resolution Process ("CIR Process") has been initiated for the Company in accordance with the provisions of the Insolvency and Bankruptcy Code, 2016, ("Code") and related rules and regulations issued there under with effect from 26-02-2019 (Corporate Insolvency Resolution Process Commencement Date). Shri Mr. Pinakin Shah was appointed as Interim Resolution Professional (IRP). The members of the CoC have in their first meeting appointed Mr. Ramchandra Dallaram Choudhary by replacing the IRP. The Hon'ble NCLT has appointed Mr. Ramchandra Dallaram Choudhary as Resolution Professional vide order dated 13-06-2019 which was confirmed by the Board (IBBI) on 26-07-2019.

The powers of Board of Directors of the Company stand suspended effective from the CIR Process commencement date and such powers along with the management of affairs of the Company are vested with the Resolution professional ("RP"). The RP has relied on the certifications, representations and statements made by the erstwhile management for such period and is signing the Financial Statements solely for the purpose of discharging the powers of the Board of directors which have been conferred upon him by virtue of section 17 of the Code .

Further, Hon'ble NCLT, Ahmedabad had on 04.12.2019 (certified order copy received on 10.01.2020), in the matter C.P. (I.B) No. 433/NCLT/AHM/2018, passed an order for initiation of Liquidation against the Corporate Debtor, M/s. Oasis Tradelink Limited (In liquidation). Vide the same order, Mr. Ramchandra Dallaram Choudhary have been appointed as the Liquidator by the NCLT u/s 34(1) of the Insolvency and Bankruptcy Code, 2016 (the Code).

The Company's Board of Directors and Liquidator are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of the financial statements for the financial year 2020-21 and 2021-22 respectively that give a true and fair view of the financial position, financial performance, (changes in equity) and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the

aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

“Annexure B” to the Independent Auditor’s Report of even date on the Standalone Financial Statements of Oasis Tradelink Limited (in Liquidation)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **OASIS TRADELINK LIMITED (in Liquidation)** (“the Company”) as of March 31, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls:

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India” [ICAI]. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility:

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting:

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting:

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion:

According to the information and explanations given to us and based on our audit, following material weakness have been identified in operating effectiveness of the company's internal financial controls over financial reporting as at March 31, 2022 :

- a. Balances of trade receivable, trade payable other liabilities are subject to confirmation. These are old balances outstanding even before 01.04.2019.

A material weakness is a deficiency or combination of deficiencies in internal financial controls over financial reporting such that there is a reasonable possibility that a material misstatement of Company's annual or interim financial statements will not be prevented or detected on timely basis.

In our opinion, except for the possible effects / effects of material weakness described above under Qualified Opinion paragraph on the achievement of objectives, company in all respects has an adequate internal financial controls.

We have considered material weakness identified and reported above in determination of the nature, time and extent of audit tests applied in our audit of March 31, 2022 financial statements.
